**ACTION: 30-Day Notice.**

---

The United States Department of Justice (DOJ), Drug Enforcement Administration (DEA), will be submitting the following information collection request to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995. The proposed information collection is published to obtain comments from the public and affected agencies. This proposed information collection was previously published in the Federal Register Volume 78, Number 64, page 20141 on April 3, 2013, allowing for a 60 day comment period.

The purpose of this notice is to allow for an additional 30 days for public comment until [INSERT DATE 30 DAYS FROM DATE OF PUBLICATION]. This process is conducted in accordance with 5 CFR 1320.10.

If you have comments especially on the estimated public burden and associated response time, suggestions, or need a copy of the proposed information collection instrument with instructions

or additional information, please contact Richard L. Nagy, Unit Chief, Domestic Strategic Intelligence Unit, Office of Intelligence, Warning, Plans and Programs, Drug Enforcement Administration, 8701 Morrisette Drive, Springfield, VA 22152

Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency whether the information will have practical utility;
- Evaluate the accuracy of the agencies' estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.
